

BRAND FOUNDATION

MILKYWAY

THE ART OF WHOLESOME INDULGENCE

1. Brand Core: Identity & Tone

Identity

A wholesome artistic sanctuary where healthy living meets creative expression. It is not just a café; it is a destination for taste, talent, and well-being.

Tone of Voice

- **Friendly & Welcoming:** Like a close friend inviting you over.
- **Artistic & Inspiring:** Encourages creativity and appreciation of beauty.
- **Fresh & Energetic:** Reflects the healthy aspect (Detox/Matcha).
- **Trustworthy:** Honest about ingredients and quality.

1. Brand Core: Values & Style

Creativity

We celebrate art in our space, our workshops, and our cups.

Wellness

Committed to nourishing the body (Detox, Granola, Matcha).

Community

A hub for gathering, sharing ideas, and learning.

Balance

Indulgence (Bakeries) meets Health (Detox/Recipes).

Style

Boho-Chic, Cozy, Earthy, Organic – "Art in Every Sip."

2. Brand Vision & Mission

Brand Vision

To redefine the café experience by becoming the city's favorite "Third Place"—a cozy artistic hub where people can escape to enjoy guilt-free healthy treats, indulge in artisanal bakes, and unleash their creativity.

Brand Mission

To provide a unique sensory experience by serving trendy, healthy beverages (Boba, Matcha, Detox) and wholesome food (Granola, Healthy Breakfasts) alongside fresh bakeries, in an environment that actively supports the local art community through workshops and collaborations.

3. Target Audience: Overview

4. Persona 1: The Healthy Trendsetter

Profile: University student or young grad. Goes to the gym/yoga.

Follows wellness trends.

Interests: Matcha, Detox, Skincare, Healthy eating.

Pain Points: Finds most cafes serve only sugary drinks or heavy desserts.

Wants to socialize without breaking her diet.

Goal: A place to hang out with friends where she can get a Detox Bottle or a Granola Plate that tastes amazing.

How Milkyway Fits: Offers specific healthy options (Matcha, Detox) that align with her lifestyle.

4. Persona 2: The Artistic Soul

Profile: Freelance designer, architect, or hobbyist painter.

Interests: Art, Quiet spaces, Good coffee, Indie music.

Pain Points: Traditional cafes are too noisy or lack inspiration. Needs a "Creative Space."

Goal: A cozy corner with good lighting and Wi-Fi to work/sketch, while sipping on a quality Boba or Coffee. Interested in attending Workshops.

How Milkyway Fits: The Boho/Cozy vibe, the workshops, and the artistic community feel.

4. Persona 3: The Morning Ritualist

Profile: Working professional who loves a slow morning or brunch.

Interests: Fresh Bakeries, Artisanal Coffee, Breakfast dates.

Pain Points: Wants a breakfast that feels special (not just fast food).

Loves the smell of fresh baking.

Goal: A delicious Healthy Breakfast Recipe or a warm piece of bakery with her morning coffee in a relaxing atmosphere.

How Milkyway Fits: The bakery section and the focus on wholesome breakfast options.

5. SWOT Analysis (Internal)

Strengths

- **Unique Product Mix:** Rare combination of Boba + Matcha + Detox + Bakeries under one roof.
- **Artistic Integration:** Workshops and Collabs create a loyal community, not just customers.
- **Visual Identity:** The Olive Green/Boho aesthetic stands out from typical dark/industrial cafes.

Weaknesses

- **Niche Education:** Some customers might need education on what "Matcha" or "Detox water" benefits are.
- **Operational Complexity:** Managing fresh food (Breakfast/Bakery) + specialized drinks (Boba) requires skilled staff.

5. SWOT Analysis (External)

💡 Opportunities

- **Collaborations:** Partnering with local art supplies stores or yoga studios.
- **Merchandise:** Selling Milkyway branded Detox bottles or Tote bags.
- **Seasonal Menus:** Mango Boba in summer, Warm Pumpkin Bakery in winter.

🛡️ Threats

- **Competition:** Established bakeries or specialized coffee houses.
- **Supply Chain:** Fluctuating prices of imported ingredients (Matcha/Tapioca pearls).

6. USP & 7. Positioning

Unique Selling Proposition

"The Art of Wholesome Indulgence."

Milkyway is the only destination that blends the trendy fun of Boba, the wellness of Matcha & Detox, and the warmth of Fresh Bakeries—all set within an inspiring, artistic workshop space.

We don't just serve drinks; we curate a healthy, creative lifestyle.

Visual Mood

- **Colors:** Olive Green (Primary), Cream/Beige (Secondary), Earth tones.
- **Materials:** Natural wood, Rattan, Plants/Greenery, Soft textiles.
- **Lighting:** Warm, ambient, natural sunlight.

7. Positioning: Typography & Imagery

Typography

- Curvy, fluid, and organic fonts (matching the Logo).
- Clean sans-serif for body text (Men/Captions).

Imagery Style

- **Texture-focused:** The layers of the Granola, the pearls in the Boba, the crumb of the Bakery.
- **Human Element:** Hands holding a warm cup, someone painting at a table.
- **Bright & Airy:** Natural light to highlight the freshness of the Detox/Breakfast.

8. Social Media Strategy (TikTok & Reels)

Competitors

Bleu: Undefined Content Pillars:

The account lacks structured content themes or categories. The content feels random rather than strategic, making it hard to understand

- Reactive vs. Proactive Strategy:

The content strategy relies heavily on chasing viral trends (Trend-Hopping) instead of creating original, brand-centric content that builds loyalty.

- Inconsistency & Lack of Cohesion:

There is no consistent posting schedule or unified visual style, which negatively impacts algorithmic reach and brand recall.

Roast n'toast: The content is fairly engaging, with a strong focus on trends and seasonal occasions, while also creating community-driven experiences such as movie nights.

Tre: 1. Undefined Brand Identity:

- The account lacks a distinct visual style or tone of voice. The content feels generic, making it difficult for the audience to recognize or remember the brand among competitors.

2. Over-Reliance on Trends (Reactive Strategy):

- The content strategy is purely reactive, focusing only on chasing viral trends without establishing original content pillars. This results in "clutter" rather than meaningful engagement.

3. Inconsistent Posting Schedule:

- The posting frequency is sporadic and lacks a structured calendar. This inconsistency negatively impacts algorithmic reach and audience retention.
